Uintah County Board of Equalization
Information and Instructions
on Filing a Request for Review of Real Property

General Information

Basis for Adjustment

The Uintah County Board of Equalization (Board) only considers matters related to the valuation of property for tax purposes. The amount of tax and other issues not related to value cannot be considered by the Board. Only current year values can be appealed. If you have an appeal pending with the State Tax Commission for a previous year, you must still file an appeal with the Board for the current year.

Burden of Proof

You must present facts to the Board to support your claim that the assessor's value on your property is incorrect. If you fail to present such facts, the Board may issue a "Notice of Intent to Dismiss the Appeal" which allows you ten working days to submit the information requested by the Board. If the information is not submitted, your request for adjustment may be dismissed because the Board may not have sufficient information to make a decision.

Authority of the Board

The Board may raise, lower or maintain the value of your property based on the facts presented by you and by the assessor.

Payment of Taxes

You must pay your property taxes by November 30 to avoid penalties and interest, even if the Board has not made a final decision.

Filing Instructions

Board Applications and Hearings

Your application and all supporting facts must be filed with the Uintah County Board of Equalization no later than (45 days after the mailing date of the "Notice of Valuation and Tax Changes"). The Board will be in session from _____ through _____ from _____ a.m. to _____ p.m. at _____.

A separate "Request for Review – Real Property" form must be completed for each property for which you wish an adjustment of market value. All relevant documents must be attached.

Submit Notice

Please provide a copy of your current "Notice of Property Valuation and Tax Changes" with the "Request for Review – Real Property" form.

Tax Representative

An authorization form must accompany the application if a representative will appeal the value of your property on your behalf. Failure to obtain representation is not grounds for complaint at a later stage in the process. A minor must be represented by an adult.

Falsifying Evidence

An appellant or appellant's representative found to be misrepresenting, concealing, or falsifying information before the Board is subject to criminal prosecution as set forth by law.
