

UINTAH COUNTY VICTIM ASSISTANCE PROGRAM EVALUATION

Case No. _____

The Uintah County Victim Assistance Program was established to help assist those persons who were impacted due to a crime committed against them in Uintah County. We would appreciate your assistance in determining the effectiveness of this program by asking for your comments and feedback with regard to the services rendered to you by the Victim Advocate/Victim Assistant in the criminal justice system. Please take a few minutes to answer the questions listed below. At the end of the survey you will have the opportunity to submit it.

1. The Uintah County Victim Assistance Program attempts to contact each victim either by letter, phone call, or text. Did you receive a letter, phone call, or text?

Yes _____ No _____

2. Was the Advocate responsive to your specific needs and were your questions answered and adequate information provided regarding the criminal justice system?

Yes _____ No _____

3. Were you given the opportunity to receive information regarding future court proceedings relating to the case involving you?

Yes _____ No _____

4. The Uintah County Victim Assistance Program provides assistance to ensure victims receive an Order regarding restitution claims. Did the Advocate provide information and support in regard to restitution claims and were your questions regarding restitution answered adequately?

Yes _____ No _____

5. Did the Advocate provide you with information about Crime Victim Reparations if applicable in your case?

Yes _____ No _____

6. Did you seek any counseling services as a result of this crime?

Yes _____ No _____

7. If the Advocate accompanied you through court proceedings were you satisfied with this assistance?

Yes _____ No _____

8. Do you feel the assistance offered by the Uintah County Victim Assistance Program in the Criminal Justice System is valuable and were you satisfied with the services?

Yes _____ No _____

It assists the Uintah County Victim Assistance Program tremendously to receive feedback from victims regarding the services offered by the Advocate in the criminal justice system. Please check the statement that best describes your feelings regarding your interaction with the Advocate. Your comments regarding this assistance are welcomed and will be considered when evaluating the program.

_____ Very helpful; appreciated the information, assistance, support and concern through the proceedings.

_____ Somewhat helpful; could have been provided with more information; (please indicate how you could have been better served).

_____ Not helpful; (please indicate in what regard).
