REQUEST FOR PROPOSALS TO PURCHASE NATIVE ASPHALT (OIL SANDS)

Uintah County is soliciting proposals to provide native asphalt (oil sands) for use in Uintah County, Utah. The native asphalt must have a bitumen content of no less than 10%. Samples will be taken at random and any material falling under the 10% will be rejected. Uintah County will enter a contract to purchase up to 4,000 tons if the price is acceptable and would like the option to purchase additional material. Uintah County will weigh material on certified scales. The location or point of delivery of the product must be located within 30 miles of Vernal City limits. Uintah County will pick up material at the delivery location as it is ordered. Vendor must include in its proposal the delivery location. The method of loading of the material whether buyer or seller is providing the loading. The minimum and maximum quantity of material which it is willing to supply, and date material will be available. Also required is a price per ton for the native asphalt (oil sands). A chemical analysis of the product is preferred. Acceptance of the proposal will take into consideration, but will not be solely limited to the haul distance, price per ton, product quality and immediate availability of the product. The proposal must be submitted to Uintah County Clerk Auditor 152 E. 100 N. Vernal, Utah 84078 no later than by 9:00 a.m. on Aug. 19, 2019. Proposals must be in a sealed envelope and marked “UINTAH COUNTY Asphalt Proposal”. Proposals will be opened during a public meeting on Aug. 19, 2019. Proposals may be awarded at that time or held for consideration until the next Uintah County Commission Meeting. After a proposal has been accepted an Agreement to Purchase Asphalt will be approved and signed by vendor and Uintah County with terms and conditions which reflect the proposals conditions and any other conditions which are acceptable to both parties. Uintah County reserves the right to accept or reject any or all of the proposals submitted. Published in Vernal Express Aug. 6, 13, 2019.
